

CEO SPACE INTERNATIONAL QUESTIONNAIRE FOR POTENTIAL AGREEMENTS

Thank you for your interest in CEO Space International. You have indicated that you would like to enter into an agreement with CEO Space to promote CEO Space to your network. In assessing prospective partners, CEO Space looks for solid brand images and reputations. Whether new or established, any prospect we consider must have a strong corporate mission and be a leader in their industry. One of our key guiding principles is that our partnerships must raise awareness about CEO Space, enhance CEO Space's brand image and generate visibility and resources for CEO Space in communities impacted by the partnership.

CEO Space has experienced a significant increase in requests for agreements to promote CEO Space. In order to help us evaluate potential opportunities and to ensure that our resources are dedicated to the most appropriate and beneficial relationships, we ask that potential partners provide information about their organizational objectives and expectations related to the proposed partnership with CEO Space by answering the following questions. Once we receive the answers to this questionnaire, we will evaluate whether or not an agreement would be a fit right now.

Please take a moment to answer the following questions (you answers are strictly confidential) in as much detail as you can. You may answer by numbered paragraphs in a word processing document or you may answer by paragraph number in an email to Cheryl@ceospaceinc.com. Again, thank you for your interest.
